C32 <u>West Somerset Economic Strategy Refresh – Responding to Change</u>

(Report No. WSC 119/11, circulated with the Agenda).

The purpose of the report was to give Council the opportunity of considering the draft refresh of the Economic Strategy for West Somerset, and to endorse the comments made by Cabinet at its meeting on held 7 September 2011.

The Lead Member for Regeneration and Economic Growth drew Members' attention to the Employment and Skills Charter and the need to encourage the private sector to locate to West Somerset. He proposed the recommendations in the report and they were duly seconded by Councillor R P Lillis.

During the debate the following main points were raised:

- The document should be used to encourage inward investment and an executive summary of the document should be prepared
- S106 monies gained from the Hinkley Point planning applications could be used to resource the action plan
- The Strategy did not reflect the fact that access to Dulverton from the motorway was via the A396 and this was fifteen minutes from the motorway
- The document referred to routes into West Somerset as 'relatively poor' where they should be described as 'very poor'.

RESOLVED (1) that Council agrees to adopt the West Somerset Economic Strategy Refresh (subject to the final draft of the Strategy reflecting the comments made by Council on 21 September 2011 and Cabinet on 7 September 2019).

RESOLVED (2) that Council agrees to adopt the Employment and Skills Charter.

RESOLVED (3) that Council acknowledges that the Action Plan is currently a set of indicative actions that will need to be aligned to the emerging corporate priorities and the refreshed Community Strategy resulting in SMART actions and clear outcomes.

C33 Remuneration Committee

(Report No. WSC 113/11, circulated with the Agenda).

The purpose of the report was to ratify the recommendation from Cabinet not to approve the creation of a Remuneration Committee and in so doing maintain the status quo.

The Leader proposed that a Remuneration Committee should not be created as recommended by Scrutiny Committee and Cabinet and his proposal was seconded by Councillor S J Pugsley.

RESOLVED that Council approves the recommendations from Cabinet (6 July 2011) and the Scrutiny Committee (13 June 2011) to not create a Remuneration Committee.

C34 Review of Financial Regulations and Contract Standing Orders

(Report No. WSC 78/11, circulated with the Agenda).

The purpose of the report was for the Cabinet Council to offer comment on proposed approve changes to Financial Regulations for 2011, attached as Appendix A, and Contract Standing Orders, attached as Appendix B.

In the absence of the Lead Member for Finance, the Section 151 Officer presented the report. He advised Members that the report had been considered by Scrutiny Committee and Cabinet and formed part of the Constitution. The recommendations in the report were proposed by Councillor S J Pugsley and seconded by Councillor P Grierson.

<u>RESOLVED</u> that <u>Cabinet Council note approves</u> the changes to the two documents appended to the report <u>(shown as tracked changes)</u> and included as Appendix A and B to the Minutes of this meeting.

C35 Devolution and Delegation Project – Progress to date

(Report No. WSC 112/11, circulated with the Agenda).

The purpose of the report was to update Council on progress to date in discussing devolution and delegation of services with parish and town councils.

In the absence of the Lead Member for Finance, the Section 151 Officer presented the report. He reminded Members that Council had adopted a Strategy for the Delegation/Devolution of Services to Parish and town Councils in July 2010. With regard to meetings that had taken place with parishes, engagement had been good and the deadline for responses was the end of September 2011.

During the debate the following points were made:

- The exercise had helped to build relationships with parish and town councils
- Officers were commended for their attendance at many meetings and particularly Graham Carne, Bruce Lang and Angela Lamplough
- Flexibility around the deadline date for responses was requested
- Consideration should be given to giving control of smaller assets, such as small pockets of land, to parishes

RESOLVED that Council notes the progress to date on the discussions with parish and town councils regarding devolution and delegation of services

C36 <u>Membership of Committees</u>

The Leader of the Conservative Group confirmed that his nominated replacement on the Planning Committee, who had resigned for reasons explained at the June Council meeting, had been amended and Councillor D Sanders had taken the vacant seat and received appropriate training.
