Proposal

The application proposes the following works:

- Extension to existing garage - the extension measures approximately 3m by 6m and is located at the rear of the existing garage. The extension is proposed to be constructed in render with a pitched slate roof over
- Installation of CCTV - four cameras are proposed to the front side and rear, located at eaves level on the timber barge board
- Installation of timber double gates - the gates are proposed to replace an existing timber boarded fence and to provide access to a single driveway
- Erection of a glasshouse - the existing shed and potting house located adjacent to the boundary wall are proposed to be removed and replaced with a traditional glass house. The glasshouse is proposed to have a rubble stone plinth with a timber frame and a pitched roof. The glasshouse would measure approximately 2.3m by 7.6m.

Amended plans were received on 26 February 2018 amending the location of the access door.

The application is to be considered by the committee as the applicant is a member of staff and the application is recommended for approval.

Site Description

The site lies to the east of Dyers Lane and the application site is one of a complex of converted farm buildings, originally part of the Grade II listed Birds Farm. The site is surrounded by agricultural land, but is however closely located to the Monkton Heathfield development.

Planning Policy Context

Section 38(6) of the Planning and Compulsory Purchase Act 2004 requires that

applications are determined in accordance with the development plan unless material considerations indicate otherwise.

The development plan for Taunton Deane comprises the Taunton Deane Core Strategy (2012), the Taunton Site Allocations and Development Management Plan (2016), the Taunton Town Centre Area Action Plan (2008), Somerset Minerals Local Plan (2015), and Somerset Waste Core Strategy (2013).

Relevant policies of the development plan are listed below.

DM1 - General requirements,
CP8 - Environment,

This takes into account the recent adoption of the SADMP.

Local finance considerations

Community Infrastructure Levy

The development does not attract an infrastructure levy.

Determining issues and considerations

Policy CP8 of the Core Strategy sets out the requirements for development

The proposed extensions and alterations do not harm the character and appearance of the listed building or its setting.

The proposal is considered acceptable and accords with Section 16 of the Planning (Listed Building and Conservation Areas) Act 1990. This requires that in considering whether to grant listed building consent, the Local Planning Authority 'shall have regard to the desirability of preserving the building or its setting or any features of special architectural or historic interest which it possesses'.

The application complies with the adopted policies and approval is recommended for approval.

In preparing this report the planning officer has considered fully the implications and requirements of the Human Rights Act 1998.
