APPEAL DECISION FOR COMMITTEE AGENDA – 28 OCTOBER 2009

APPEAL	PROPOSAL	REASON(S) FOR INITIAL DECISION	APPLICATION NUMBER	DECISION
APP/D3315/H/09/2104958	Display of one internally illuminated free standing single sided display unit at the Post Office, Norton Fitzwarren	The proposed advertisement represents an incongruous feature in the street scene, to the detriment of its character. Furthermore, in addition to those already displayed on the premises, it creates a cluttered appearance to the detriment of the street scene and visual amenity. Accordingly, the proposal is contrary to Taunton Deane Local Plan policy EC26 (Outdoor Advertisements and Signs).	25/09/0003A	The inspector considered the proposed advertisement was not detrimental to the interests of visual amenity, is an appropriate scale in relation to its surroundings and does not result in excessive advertising in this location is not against the interests of public safety. The appeal was therefore ALLOWED.
