Planning Policy Context

Section 38(6) of the Planning and Compulsory Purchase Act 2004 requires that applications are determined in accordance with the development plan unless material considerations indicate otherwise.

The development plan for Taunton Deane comprises the Taunton Deane Core Strategy (2012), saved policies of the Taunton Deane Local Plan (2004), the Taunton Town Centre Area Action Plan (2008), Somerset Minerals Local Plan (2015), and Somerset Waste Core Strategy (2013).

Relevant policies of the development plan are listed below. Policies from emerging plans are also listed; these are a material consideration.

DM1 - TD CORE STRATEGY - GENERAL REQUIREMENTS,
H17 - TDBCLP - Extensions to Dwellings,

Policy D5 of the draft Site Allocations and Development Management Plan

Local finance considerations

Not payable in this instance.

Determining issues and considerations

The proposed extension will replace an existing garage but its removal will have no impact on parking within the site as parking will still be available to the front of the dwellinghouse. The extension will be set off the boundary with the adjacent neighbour and no windows are proposed on the north elevation and in this regard there will be no adverse impact on this neighbour in terms of loss of light or overlooking and therefore, the extension is considered to be acceptable.

In preparing this report the planning officer has considered fully the implications and requirements of the Human Rights Act 1998.
