APPEAL DECISION FOR COMMITTEE AGENDA – 21 APRIL 2010

APPEAL	PROPOSAL	REASON(S) FOR INITIAL DECISION	APPLICATION NUMBER	DECISION
APP/D3315/A/10/2123265/NWF	ERECTION OF 11KW WIND TURBINE (18.3 METRES HIGH TO HUB WITH ROTORS AT 13 METRES DIAMETER) AT BRIDGETS FARM, TOLLAND	The application site is located in an attractive area of countryside where it is considered that the proposed development, due to its size, form and siting, will have a significant adverse impact on the local landscape character by reason of its visual intrusion which will adversely affect the setting of this landscape. As such the proposal is considered contrary to advice given in PPS1, PPS7 and PPS22, and Taunton Deane Local Plan Policies C13(A) and EN12.	41/09/0026	The Secretary of State decided that the development would not be likely to have a significant effect on the environment by virtue of factors such as its nature, size or location. Accordingly he directs that the development for which permission is sought is not EIA development.

TDLP = Taunton Deane Local Plan **SENP** = Somerset & Exmoor National Park
