Agency

Consultations:

Environmental Permits for proposed Hinkley Point C

The Environment Agency is holding a series of public surgeries (appointment only - see below) regarding its draft decisions for three environmental permits for the proposed Hinkley Point C Nuclear Power Station. The permits are for:

- Discharge and Disposal of radioactive wastes
- Discharge of cooling water and liquid effluents into the Bristol Channel
- Operation of standby power supply systems using diesel generators

We are holding surgeries at:

10 Sept	10am-7pm	Phoenix Centre, Watchet
11 Sept	10am-7pm	Bridgwater Town Hall
13 Sept	10am-7pm	Princess Theatre, Burnham-on-Sea
18 Sept	10am-7pm	Stogursey Victory Hall
19 Sept	10am-7pm	Cannington College
20 Sept	10am-7pm	Otterhampton Village Hall
27 Sept	10am-7pm	Memorial Hall theatre, Barry
