Site Preparation Works

- Site Preparation Works was submitted to the Council in **November 2010** and was granted consent subject to finalisation of conditions/S.106 at the Councils Planning Committee on the **28th July 2011**. Decision Notice issued on **27th January 2012**.
- Works are broken into a series of Phases (5 in total) – main phases are as follows:
 - Phase 0 – Pre-commencement (commenced February 2012)
 - Phase 1 – Vegetation Clearance/Security Fencing (commenced March 2012)
 - Phase 2 – Main Earthworks (commenced May 2014)

Community Impact Mitigation (CIM) Fund (1)

- “*NNB GenCo shall not Implement Phase 2 unless the Community Impact Contribution has been paid to West Somerset Council for the purpose of **mitigating the intangible and residual impacts of the Development** and/or other elements of the Project (if permitted) on the **local communities** affected by them through projects the objectives of which are to **promote or improve the economic, social or environmental well-being of those local communities**”.*
- This contribution is worth a total of **£3.5m (1st payment)** and was paid by EDF to WSC on the 6th May 2014 to trigger the commencement of Phase 2.
- There is a separate **£500,000 (Stogursey Contribution)** allocated to the Parish.
- It is this contribution that enables groups/bodies within the local communities to bid for funds in line with S.106 project requirements.
