CHIEF EXECUTIVE**

Please note that this meeting will be recorded. At the start of the meeting the Chair will confirm if all or part of the meeting is being recorded and webcast. You should be aware that the Council is a Data Controller under the Data Protection Act 2018. Data collected during the recording will be retained in accordance with the Council's policy. Therefore unless you are advised otherwise, by entering the Council Chamber and speaking during Public Participation you are consenting to being recorded and to the possible use of the sound recording for access via the website or for training purposes. If you have any queries regarding this please contact the officer as detailed above.

Members of the public are welcome to attend the meeting and listen to the discussions. There is time set aside at the beginning of most meetings to allow the public to ask questions. Speaking under "Public Question Time" is limited to 3 minutes per person in an overall period of 15 minutes. The Committee Administrator will keep a close watch on the time and the Chair will be responsible for ensuring the time permitted does not overrun. The speaker will be allowed to address the Committee once only and will not be allowed to participate further in any debate. Except at meetings of Full Council, where public participation will be restricted to Public Question Time only, if a member of the public wishes to address the Committee on any matter appearing on the agenda, the Chair will normally permit this to occur when that item is reached and before the Councillors begin to debate the item.

If an item on the agenda is contentious, with a large number of people attending the meeting, a representative should be nominated to present the views of a group. These arrangements do not apply to exempt (confidential) items on the agenda where any members of the press or public present will be asked to leave the Committee Room. Full Council, Executive, and Committee agendas, reports and minutes are available on our website: www.somersetwestandtaunton.gov.uk

The meeting room, including the Council Chamber at The Deane House are on the first floor and are fully accessible. Lift access to The John Meikle Room, is available from the main ground floor entrance at The Deane House. The Council Chamber at West Somerset House is on the ground floor and is fully accessible via a public entrance door. Toilet facilities, with wheelchair access, are available across both locations. An induction loop operates at both The Deane House and West Somerset House to enhance sound for anyone wearing a hearing aid or using a transmitter. For further information about the meeting, please contact the Governance and Democracy Team via email: governance@somersetwestandtaunton.gov.uk

If you would like an agenda, a report or the minutes of a meeting translated into another language or into Braille, large print, audio tape or CD, please email: governance@somersetwestandtaunton.gov.uk

Addendum - Use of Urgency Powers and Supplementary Capital Budget for Coal Orchard Regeneration Project

Recommendations:

2.1 Full Council notes the use of urgency powers by the Chief Executive who approved the increased capital budget allocation of £675,000 towards the completion of the Coal Orchard regeneration scheme.

2.2 Full Council notes the allocation of a refundable £45,000 bond to National House Building Council, approved by the S151 Officer and managed through cash flow.

2.3 Full Council approves the transfer of £185,000 from General Reserves to a Coal Orchard Warranty Earmarked Reserve to manage any potential financial liabilities under warranty claims.

2.4 Full Council delegates authority to allocate funds from this reserve and approve related uplifts in relevant budgets to the Director of Development and Place, the Assistant Director Major and Special Projects and the S151 Officer.

2.5 Full Council approves a further supplementary capital budget increase of £100,000 for the Coal Orchard scheme, to be funded by capital receipts.

Within the body of the report:

4.10 The bond held by NHBC is to cover administration of the warranty process in the event of our failure as a going concern. It does not pay for remedial works for which we must demonstrate access to sufficient funds. We proposed to do this by establishing an Earmarked Reserve of £185,000 to be funded through a transfer from the General Reserve. ~~Consideration was given to providing this through general reserves, however as it would be necessary to draw upon this funding to manage warranty claims, approval to spend the money is required.~~

6.11 The allocation of £185,000 to an Earmarked Reserve to underwrite warranted costs is proposed to be funded by General Reserves ~~capital receipts~~. The funds will only be called upon in the event the Council has relevant future financial obligations to meet. It is proposed to delegate decision to allocate funds from this reserve and approve related uplifts in relevant budgets to the Director of Development and Place, the Assistant Director Major and Special Projects and the S151 Officer.
