### **Temporary measures during the Coronavirus Pandemic**

Due to the temporary legislation (within the Coronavirus Act 2020, which allowed for use of virtual meetings) coming to an end on 6 May 2021, the council's committee meetings will now take place in the office buildings within the John Meikle Meeting Room at the Deane House, Belvedere Road, Taunton. Unfortunately due to capacity requirements, the Chamber at West Somerset House is not able to be used at this current moment.

Following the Government guidance on measures to reduce the transmission of coronavirus (COVID-19), the council meeting rooms will have very limited capacity. With this in mind, we will only be allowing those members of the public who have registered to speak to attend the meetings in person in the office buildings, if they wish (we will still be offering to those members of the public that are not comfortable in attending, for their statements to be read out by a Governance and Democracy Case Manager). Please can we urge all members of the public who are only interested in listening to the debate to view our live webcasts from the safety of their own home to help prevent the transmission of coronavirus (COVID-19).

**CHIEF EXECUTIVE**

Please note that this meeting will be recorded. At the start of the meeting the Chair will confirm if all or part of the meeting is being recorded and webcast. You should be aware that the Council is a Data Controller under the Data Protection Act 2018. Data collected during the recording will be retained in accordance with the Council's policy. Therefore unless you are advised otherwise, by entering the Council Chamber and speaking during Public Participation you are consenting to being recorded and to the possible use of the sound recording for access via the website or for training purposes. If you have any queries regarding this please contact the officer as detailed above.

Members of the public are welcome to attend the meeting and listen to the discussions. There is time set aside at the beginning of most meetings to allow the public to ask questions. Speaking under "Public Question Time" is limited to 3 minutes per person in an overall period of 15 minutes. The Committee Administrator will keep a close watch on the time and the Chair will be responsible for ensuring the time permitted does not overrun. The speaker will be allowed to address the Committee once only and will not be allowed to participate further in any debate. Except at meetings of Full Council, where public participation will be restricted to Public Question Time only, if a member of the public wishes to address the Committee on any matter appearing on the agenda, the Chair will normally permit this to occur when that item is reached and before the Councillors begin to debate the item.

If an item on the agenda is contentious, with a large number of people attending the meeting, a representative should be nominated to present the views of a group. These arrangements do not apply to exempt (confidential) items on the agenda where any members of the press or public present will be asked to leave the Committee Room. Full Council, Executive, and Committee agendas, reports and minutes are available on our website: [www.somersetwestandtaunton.gov.uk](http://www.somersetwestandtaunton.gov.uk)

The meeting room, including the Council Chamber at The Deane House are on the first floor and are fully accessible. Lift access to The John Meikle Room, is available from the main ground floor entrance at The Deane House. The Council Chamber at West Somerset House is on the ground floor and is fully accessible via a public entrance door. Toilet facilities, with wheelchair access, are available across both locations. An induction loop operates at both The Deane House and West Somerset House to enhance sound for anyone wearing a hearing aid or using a transmitter.
