02/12/20	<b>VCS Grants Review:</b> As part of the review of the Voluntary and Community Sector Grants, the increased workload for the two Citizens Advice Bureaus that cover the SWT area must be recognised accordingly with a grant increase in line with their objectives to meet increased demands due to Covid, and that this support is equalized across population areas that they cover, but not to the detriment of other organisations being funded by SWT.	Executive / Cllr C Booth PFH Community	An appendix was included with the report to Executive which explained that; It can be seen that Taunton CAB receives £125,610 for a population of 120,000, of which £42,000 is debt and benefit advice for tenants of SWT Council, giving a net figure of £83,610. West Somerset Advice Bureau gets £30,600 for a population of 35,000. The conclusion that can be drawn is that there is no inequality in funding between the two bureaux. However, Taunton CAB gains a specific funding input for advice to tenants who exclusively live within Taunton CAB catchment and which comes from their rental payments, there being no SWT tenants in the former West Somerset area.	16/12/20 Executive	PART AGREED	N/A

02/12/20	<p><b>Extension of Public Space Belvedere Road:</b> The Committee consider that the historic importance of the building to Taunton in the long term requires that its future needs to be secured and the decision of its future needs to be taken at Full Council.</p>	Executive / Cllr M Kravis PFH Asset Management and Economic Development	<p>1) The creation of a cross party working group to consider the options available for Flook House and the surrounding area.
