

# Full Council Meeting – 30 March 2021

## Scrutiny Committee Annual Report 2020/2021

### 1 Foreword

- 1.1 It was a great honour to have been re-appointed as Chair of the Somerset West and Taunton Scrutiny Committee by my Councillor peers at the Annual General Meeting of Council in May last year.
- 1.2 I had hoped that the 'transition' we had embarked on in 2019/20 would continue but as we all know the Covid pandemic severely disrupted normal life including this Council. As a result we had to move to virtual meetings on Zoom and this took some adjusting to. However once we had established a remote working pattern things bedded down quickly and the Committee was able to get to grips with business without too much difficulty.
- 1.3 In 2019 the Government had published new Guidance for Scrutiny Committees which aimed to clarify and broaden their role and influence. Both I and the Vice-Chair have always been keen to ensure that Scrutiny Councillors gained a greater oversight of their work programme than was done previously. This was to give us a stronger voice over the Executive reports we wished to look at in detail and enable maximum influence to be exerted. We also wanted to be more proactive and investigate external matters which had a bearing on the residents of our area.
- 1.4 The Leader of the Council continued to encourage transparency and the involvement of members and the programme of Briefings to provide information and background on Council business was able to continue successfully online. This allowed these matters to be aired and questioned without impinging on the committee process where time is limited.
- 1.5 As a Scrutiny Committee formulating our programme of work and getting updates on our suggestions and recommendations is a key way that this Council can demonstrate the transparency and accountability that the residents of Somerset West and Taunton expect from their decision-makers. Scrutiny's role as critical friend of the Executive is vital in ensuring that the voice of the community is heard and should result in more inclusive decision-making.

### 2. Professional Development

2.1 Before the Covid Pandemic we had planned to have a facilitated Committee 'Away Day' meeting to help us better understand the role and power of the Committee and deliver enhanced scrutiny of the Council and its business. We were very grateful to have the services of Ann Reeder as Facilitator for a full morning session in October.

2.2 We considered what was going well and these tended to centre on the Committee and its commitments.

2.3 Matters for improvement however related to how the Committee felt it was perceived and responded to in terms of being aware of issues, the timing of these coming forward and to an extent a sense that we were seen as part of a process to be gone through rather than a constructive contributor to Council business.

2.4 We concluded that we needed to:

- Improve the involvement of outsiders and third parties to help deliver better outcomes.
- Be made aware of issues early enough to be able to make a positive contribution particularly in policy development.
- Improve the way that questions and issues raised in Committee were tracked and followed up.
- Have better communication with Executive members.

2.5 We concluded by listing our Top 5 Tasks as a Committee;

- 1) Financial Monitoring
- 2) Policy Making
- 3) Holding Exec to Account/Critical Friend – check and balance
- 4) Evidence gathering
- 5) Policy Review – looking back

### **3. 2020/21 Programme**

3.1 Overall the last year has been an extremely busy one for the Committee. We have discussed many and varied issues of community interest and concern such as:

- Taunton Bus Station.
- Distribution of Community Infrastructure Levy monies.
- The Commercial Investment Strategy,
- Town Centre Recovery.
- The establishment of a Community Chest Fund.
- Delivering Regeneration (including Firepool).
- Social Housing developments in Taunton and Minehead.
- The Climate Emergency Strategy and Climate Resilience Action Plan.
- The Electric Vehicle Charging Strategy.
- Rough Sleeper and Homelessness Accommodation.
- Coastal Defence works.
- Phosphate in Watercourses and the impact on developments.
- Taunton Pedestrianisation.

3.2 We also considered the emerging Unitary proposals and received regular reports on Corporate Performance and Budgeting. (More details are in Appendix 1)

3.3 We have also instituted regular slots to question Executive Councillors. Not only does this offer Committee members a greater opportunity for extended questioning

than is possible in normal meetings of the Full Council but it also offers Executive Members the chance to expand on their roles and responsibilities.

3.4 However, while I believe we were able to add value to many of these topics, it was also clear that being adequately sighted on emerging issues was not always straightforward. Although improved, there have also been occasional issues around timeliness and the process for differentiating between topics for Briefing and one's going to Scrutiny. There have also been times when questions asked or information requested had to be chased up. As a result we have made some adjustments to the process of flagging and reviewing topics and reports for Scrutiny. The involvement of Committee members in agenda setting has really helped in that.

3.5 As the current Municipal Year ends I am optimistic that 2021/22 will allow the return to some sort of normality. In particular I hope we will be able to meet face to face as a Committee again as Zoom meetings are no substitute for personal contact and interaction.

3.6 In conclusion I believe the Committee has made significant progress this year despite the unusual circumstances and that we have a strong foundation going forward.

**This Report is the responsibility of Councillor Gwilym Wren – Chair of the Scrutiny Committee and has been compiled in collaboration with the Vice Chair Councillor Libby Lisgo.**
