### **Audit and Governance Committee – 13 December 2021**

#### **SWAP Internal Audit – Progress Report 2021-22**

**This matter is the responsibility of Executive Councillor Ross Henley**

**Report Author: Alastair Woodland, Assistant Director, SWAP**

#### **1 Executive Summary / Purpose of the Report**

- 1.1 The Internal Audit function plays a central role in corporate governance by providing assurance to the Audit, Governance and Standards Committee, looking over financial controls and checking on the probity of the organisation.
- 1.2 The 2021-22 Annual Internal Audit Plan is to provide independent and objective assurance on SWT Internal Control Environment. This work will support the Annual Governance Statement.

#### **2 Recommendations**

- 2.1 Members are asked to note progress made in delivery of the 2021-22 internal audit plan and significant findings since the previous update in September 2021.

#### **3 Risk Assessment (if appropriate)**

- 3.1 Any large organisation needs to have a well-established and systematic risk management framework in place to identify and mitigate the risks it may face. SWT has a risk management framework, and within that, individual internal audit reports deal with the specific risk issues that arise from the findings. These are translated into mitigating actions and timetables for management to implement.

#### **4 Background and Full details of the Report**

- 4.1 This report summarises the work of the Council's Internal Audit Service and provides:
  - Details of any new significant weaknesses identified during internal audit work completed since the last report to the committee in September 2021.
  - A schedule of audits completed during the period, detailing their respective assurance opinion rating, the number of recommendations and the respective
