06/07/2022	<p>Corporate Performance Report: High proportion of planning refusals have been overturned by the Planning Inspectorate.</p> <p><i>(Page 266 &amp; 272 Agenda) Flagged Red.</i></p> <p><i>Can a breakdown be provided on the proportion of decisions that have been overturned by the Planning Inspectorate following appeals from applicants?</i></p> <p><i>A) Can this be split between officer delegated decisions and those that were determined by the Planning Committee.</i></p> <p><i>B) Have any successful appeals resulted in the awarding of costs to the applicant?</i></p>	Mike Rigby / Chris Hall (Planning)	<p>The Local Planning Authority has received 20 appeal decisions from the Planning Inspectorate for the period from 1 January 2022 to 30 June 2022. Of these 6 were allowed (equating to 30% of appeals determined in this period). This compares with the target against which performance is measured corporately of 33% which is the national average of appeals allowed.</p> <p>Of those allowed in this period, two were appeals following decisions by the Planning Committee, one of which resulted in a costs award to the applicant. The quantum is yet to be determined – the process is that the applicant must submit their costs and for the Council to determine whether they are reasonable. In the event of a disagreement, it then goes for independent taxation.</p>	25/07/2022	Answers provided by Julie Harcombe / Rebecca Miller and Alison Blom-Cooper

However, in January 2022 SWT purchased a licence to a business data platform, which will enable reporting of various statistics relating to business health and growth in the district. The Economic Development Team are exploring the reporting capabilities of the software. Currently, we are unable to provide a figure in response to the question. The Economic Development team with partner organisations, continue to market SWT to inward investors and account manage inward investment enquiries.</p> <p><i>“This period has seen the completion of a new promotional inward investment-focused website for the district and production of an investment video as part of a ‘SWITCH’ campaign, inviting potential investors to switch to Somerset West and Taunton. The campaign highlights the area’s locational, strengths as well as current growth -industries such as healthcare and med-tech, the circular economy, digital and creative, global marine and current construction opportunities in the energy sector. 12 business ambassadors from varying sectors of the economy have also been recruited to act as business ambassadors for the area. A launch event with a key business audience of commercial agents and developers took place in May 2022. This has formed a key part of the delivery of the Marketing and Communications plan for Inward Investment.”</i></p> <p>(Excerpt from Cllr Rigby’s latest PFH report)</p>	<p>25/07/22</p>	<p>Lisa Tuck</p>

06/07/2022	Can further information be provided on what the Employment Land Schemes and Williton Shooting Club capital programmes will be spent on?	Mike Rigby / Chris Hall (Econ Regen)	The Employment Land Schemes capital programme is currently looking at potential employment sites in Minehead, but SMT have deferred any capital expenditure requests until Unitary. The Williton Shooting Club was a Hinkley funded project which was completed historically, and the unused budget was returned last year.	22/07/22	Kerry Prisco

03/08/2022	<p>Taunton Garden Town Update: Query from Cllr Hassall regarding possible conflict between introducing a bus lane into East Street Taunton whilst making it a pedestrianised area.</p> <p><i>Is there any update on the current position?</i></p>	Cllr Mike Rigby / Sarah Ellwood (Project Manager – Active Travel and Regeneration).	<p>In 2020, during the closure of East St to general traffic to allow social distancing, SWT embarked on a project to explore possible concept designs for a longer term pedestrianisation of East St. Following highly successful stakeholder workshops in summer 2021, concepts for restricting general traffic on East St to allow safer, more accessible active travel and public realm improvements were created and shared with SWT Executive in October 2021. Further work has been carried out to assess impact on people with protected characteristics under the Equalities Act 2010.</p> <p>Although there are still strong aspirations to offer some form of pedestrianisation on East St, no budget for capital delivery has been assigned. SCC has, however, in recent months been successful in receiving funding for a Bus Service Improvement Plan (BSIP) which is highly likely to impact East St and the surrounding area. SCC colleagues responsible for BSIP have assured SWT officers that the East St</p>	08/08/22	Jenny Clifford / Sarah Ellwood
