29/06/2022	Query raised about the grant money from the Taunton Youth Community Centre (TYCC) legacy fund which was earmarked to be spent on the youth of Taunton. How was this money distributed to worthy causes and who decided who benefitted?	Cllr Chris Booth / Housing Directorate	<p><u>Local groups awarded funding for youth support work</u> somerwestandtaunton.gov.uk..</p> <p>Comments from Christine Gale forwarded to the Committee.</p> <p>Somerset Community Foundation as administrator of the fund recommended both YMCA and Conquest as main recipients because they both operate within two miles from the Taunton Town Centre, with a focus on youth work.</p>	30/06/22	Scott Weetch / Christine Gale provided an update on the process for distributing this fund. (Legacy money had been held for 20 years).
29/06/2022	<p>How has the underspend in relation to staff salaries come about?</p> <p>Assets Staff (para 6.14)</p>	Cllr Fran Smith / Housing Directorate	<p>Assets - The underspend in relation to several staff vacancies during the year across the capital investment and asset management teams is due to staff leaving and periods of the posts being vacant during the recruitment process. This has been exacerbated during the year with difficulty in recruitment to</p>	05/07/22	Simon Lewis / Chris Brown

	Develop and Regen (para 6.11)		<p>sufficiently experienced technical staff.</p> <p>Development and Regeneration - The underspend was due to two main reasons – a) staff turnover has and often does lead to budget savings as there are often periods of vacancy during the recruitment period. There has been a turnover of staff especially at project officer level over the past 12 months. b) one post has been held back from recruitment until the service is clear on delivery priorities. The post is a senior post earmarked for new build however the emerging low carbon retrofit strategy means this post may be retitled to support this area of work. During 2021/2022 the funding associated with this post was used to offset additional costs in the capital programme team.</p>		
29/06/2022	Why was there a lack of investment in air source heat pumps and insulation in Appendix A?	Cllr Fran Smith / Housing Directorate	The emerging low carbon retrofit strategy and delivery plan is seeking to align the capital decent homes programme and retrofit strategies to deliver works at pace, efficiently and within the resources the council has. The emerging strategy will be explored at a member briefing 1 st September and the strategy will be refined as it progresses to full Council in December 2022. This is three	05/07/22	Simon Lewis / Chris Brown

			<p>months earlier than previously proposed. The emerging strategy does prioritise fabric improvements over renewable heating systems in the early years as these measures can reduce more CO2 than changes to heating systems and reduce heat demand leading to more affordable warmth. It is important to note that grants are essential to ensure the council can move forward at pace on its retrofit and zero carbon ambitions and most grants for social landlords' support fabric first approaches rather than gas replacement. The service is discussing one grant scheme which could install some ASHP and solar PV and reduce the council's capital requirement which in turn could be used to speed up fabric measures or the replacement of gas and solid fuel systems to ASHP and Solar PV on well insulated council homes. In advance of the whole member briefing the housing service intend to discuss the emerging retrofit strategy with Cllr Mansell as the recent chair of the Community Scrutiny Committee working group on retrofit, Dixie Darch as portfolio holder for Climate Change and Cllr</p>

31/08/2022	<p>The Energy Plan and work on Net Zero Strategy were welcomed. It was suggested that there could be a business case for more solar panels at the centres with involvement from both Everyone Active and SWT. Officers agreed to investigate this. Can updates please be provided and recorded here.</p> <p>Requested on 31/08/22 by Cllr Mansell.</p>	<p>Cllr Dixie Darch / Cllr Perry and Cllr Rigby External Operations Directorate</p>	<p>There are currently solar panels at the tennis centre and pool at Blackbrook, and on the roof of Taunton pool. SLM are entitled to use all the electricity generated, and SWT are entitled to sell any surplus.</p> <p>Solar panels are being considered as part of the wider project to decarbonise Wellington Sports Centre. There is a bid going to the next round of the Public Sector Decarbonisation Scheme and includes provision for panels on the roof.</p> <p>Currently, officer time is being prioritised on the Wellington scheme, and installation of solar panels on the Council's Westpark depot in Wellington. A decarbonisation survey on this building identified a 110% energy</p>	20/09/22	Jonathan Stevens / Chris Hall

			<p>return, and funding is in place to progress this during 22/23.</p> <p>Whilst officers appreciate that this is a logical suggestion, priority currently needs to be given to the Wellington Sports Centre project, which would return a greater carbon saving, and the Westpark depot solar scheme, as this would be a big step forward to decarbonisation of that building.</p>		
31/08/2022	<p>Feedback on the Town Centre Health Checks – very little information has been fed back to the participating parishes and towns on the findings of the High Street health checks from Stantec. Members are having difficulty finding this information on the Council’s website.</p> <p>Query raised by Cllr Janet Lloyd 31/08/2022. Supported by Cllr Whetlor.</p> <p>Can the Stantec Reports please be sent to the clerks of the relevant parishes for information.</p>	Cllr Mike Rigby – Economic Regeneration /	<p>With agreement from the Chair of Community Scrutiny Committee, a member briefing will take place on Thursday 13 October to provide an update on the Town Centre Health Check Report. Details have been circulated in the meeting diary.</p> <p>This will enable members to receive the information and ask any questions as they arise, rather than waiting for a written response.</p> <p>A link to the report can be found below for reference. 31/08/2022	<p>CCTV Upgrade Do Wellington Town Council still contribute to the maintenance and upkeep of the CCTV? If so – how much? If it has stopped, when did this happen?</p> <p>Query raised by Cllr Janet Lloyd 31/08/2022</p>	<p>Cllr Chris Booth, Community / Housing Directorate James Barrah</p>	<p>Neither Wellington Town Council or Somerset West and Taunton have any record of a payment having been made/received within the last 3 years. Neither can trace any evidence that such payments took place, so we are unable to establish when they stopped or how much it was.</p>	20/09/22	<p>Scott Weetch / Sally Parry</p>
31/08/2022	<p>CCTV Upgrade How many successful prosecutions have taken place in Taunton due to CCTV?</p> <p>Query raised by Cllr Andy Pritchard 31/08/2022</p>	<p>Cllr Chris Booth, Community / Housing Directorate James Barrah</p>	<p>It is not possible to accurately attribute the number of successful prosecutions due to CCTV cameras as there are usually several pieces of evidence which will be involved in a prosecution. Equally, we do not have access to the information to support which arrests have led to a prosecution. What we can advise is that in the last 9 months CCTV has been involved in 39 arrests (some of which may still be going through</p>	20/09/22	<p>Scott Weetch / Sally Parry</p>

			the Court system). These figures do not include arrests that have taken place later, as that will of course happen sometimes days or weeks after the event and such information is not fed back to the CCTV Control Centre.		
31/08/2022	<p>Housing Qtr1 Report Where potential savings have been identified in the HRA budget, can these please be made apparent in the report. Committee would like to see this referenced in the Qtr2 update.</p> <p>Requested by Cllr Habgood 31/08/2022</p>	Cllr Fran Smith, Housing / Housing Directorate James Barrah			<p><i>To be reported in the HRA Qtr2 (30 November meeting).</i></p> <p>Kerry Prisco</p>
