Record of Decision taken by Executive Councillor

Decision title: Electric Vehicle Community Charge Point Fund - decisions

Executive Councillor making the decision: Cllr Peter Pilkington

Author Contact Details: Brendan Cleere

Date of Decision: [REDACTED] 1st November 2019

Details of decision:

Cllr Peter Pilkington (Portfolio Holder for Climate Change) has decided to award grants to the following organisations, for the installation of electric vehicle community charge points:

Trull Parish Council – £1000

Brushford Parish Hall CIO– £675

Luxborough Field and Village Hall Charity - £970

The applications will be funded from a dedicated one-off sum of £20,000 in the 2019/20 budget, set aside by the Council to support the installation of electric vehicle community charge points.

Reasons for proposed decision:

The applications support community led action to tackle the climate emergency and are in line with the Council's declared ambition to work towards a carbon neutral district by 2030.

Alternative funding options sourced:

The Council's contribution is sourced from a budget specifically allocated for this purpose.

Note: A copy should also be sent to the Governance Team – governance@somersetwestandtaunton.gov.uk

Notes:

Finance Implications

This is a one off grant. There will be no ongoing cost or maintenance responsibility for the Council.

Links to Corporate Aims

This supports the Council's *environment and economy* strategic theme - encouraging a low-carbon, clean, green and prosperous district.

Climate and Sustainability Implications

This initiative contributes directly to the Council's stated aim of working towards a carbon neutral district by 2030.

Partnership Implications

This initiative supports community led action and helps to build the partnership and community links that are essential to achieving our ambition for a carbon neutral district.
