

Exmoor Panel Meeting - 07/11/2019

- 1) Reported crime across our area continues to be low, but there is no room for complacency.
- 2) From the previous meeting, - we have had no further incidents of sheep theft reported which I am pleased to report.
- 3) Recent crime and Anti-social behaviour.
Beauty spot cars attacked (3) at Holnicote, Tarr Steps, and Dunkery.
Non-dwelling burglaries (4) B Ralph, West Knowle and Anstey.
Thefts (3) of concrete mixer, windscreen wipers, and also a charity box.
CDMV (1)
Criminal damage (1)
- 4) Other matters.
Drink driver caught this week, reminder to all re drink driving, and particularly being over the limit in the morning.
Illegal Deer shooting, one confirmed offence, but we suspect that this will increase in coming weeks of darkness. **Please report all suspicious activity!**
In September we had a serious attempted theft of Quad bikes, unsuccessful due to being disturbed! We are confident that we know the people involved. But not sufficient evidence at this time.
- 5) Good news – we did recover a stolen tractor recently. Stolen from Williton area, and recovered from Exford area.

We say this at each meeting, but please report any incidents promptly.
Pass on any information to police, particularly around deer poaching, and rural crime.
