

# Record of Decision taken by Executive Councillor

**Decision title: Electric Vehicle Community Charge Point Fund - decision**

**Executive Councillor making the decision: Cllr Peter Pilkington**

**Author Contact Details: Samantha Murrell**

**Date of Decision: 10<sup>th</sup> March 2020**

## Details of decision:

Cllr Peter Pilkington (Portfolio Holder for Climate Change) has decided to award a revised grant to the following organisation, for the installation of an electric vehicle community charge point:

Trull Parish Council – £1,500

A decision to award Trull Parish Council £1,000 was made in November 2019. Trull were unfortunately unable to secure a central government workplace grant of £1000, so have requested an additional £500 from the EVCP scheme. This award will be the maximum amount allowable

The application will be funded from a dedicated one-off sum of £20,000 in the 2019/20 budget, set aside by the Council to support the installation of electric vehicle community charge points. .

## Reasons for proposed decision:

This application supports community led action to tackle the climate emergency and is in line with the Council's declared ambition to work towards a carbon neutral district by 2030.

## Alternative funding options sourced:

The Council's contribution is sourced from a budget specifically allocated for this purpose.

<b>The below has been completed:</b>	<b>Name(s)</b>	<b>Date</b>
Relevant ward councillor(s) consulted:- Trull Parish Council – Trull, Pitminster and Corfe ward	Cllr Martin Hill / Cllr Sarah Wakefield	25/10/2019

**Note:** A copy should also be sent to the Governance Team – [governance@somersetwestandtaunton.gov.uk](mailto:governance@somersetwestandtaunton.gov.uk)

**Notes:**

**Finance Implications**

This is a one off grant. There will be no ongoing cost or maintenance responsibility for the Council.

**Links to Corporate Aims**

This supports the Council's *environment and economy* strategic theme - encouraging a low-carbon, clean, green and prosperous district.

**Climate and Sustainability Implications**

This initiative contributes directly to the Council's stated aim of working towards a carbon neutral district by 2030.

**Partnership Implications**

This initiative supports community led action and helps to build the partnership and community links that are essential to achieving our ambition for a carbon neutral district.
