

LGA Consultation on Draft Model Member Code of Conduct

Thank you for taking the time to complete this consultation. This Model Member Code of Conduct [[Model Member Code of Conduct.pdf](#)] aims to be concise, written in plain English and be understandable to members, officers and the public. The Model Member Code is designed to aid members in all tiers of local government model the behaviours and high standards that anyone would expect from a person holding public office. Equally, it articulates behaviour which falls below the standards that would be expected of council members. It is designed to help set a framework for public and councillor interaction, emphasising the importance of civility and that councillors should be protected from bullying, intimidation and abuse.

The LGA has reviewed the existing Model Member Code of Conduct and updated it here incorporating the recommendations from the Committee on Standard's in Public Life's recommendations on Local Government Ethical Standards and the representation from its membership. Part of the Committee's recommendations were the introduction of sanctions for breaches of the code, alongside an appeals process. This aspect is out of scope of this consultation, as it requires legislative changes by Government, but the LGA has sought to reflect some of the possible changes by using square brackets where legal changes would be necessary. The LGA is continuing to take soundings from the sector on the issue of sanctions in anticipation of a Government response to the Committee's recommendations.

This consultation addresses key areas that the LGA would like a view on to help finalise the Code. It is aimed at councillors and officers from all tiers of local government. If you would like a wider discussion about the code, please do sign up to one of the forthcoming Webinars the LGA are holding as part of this consultation. Details will be posted on our [LGA events website](#).

Application of the Code

Under the Localism Act 2012, the Code of Conduct applies to councillors only when they are acting in their capacity as a member. The LGA believes that because councillors are elected by the public and widely recognised by the public, it makes sense for them to continue to model these behaviours when they are making public comment, are identifying as a councillor and when it would be reasonable for the public to identify them as acting or speaking as a councillor. The Committee on Standards in Public Life supported this approach in their report into Local Government Ethical Standards. Whilst the LGA is waiting for Government's response to these recommendations the option has been added in square brackets as it would need changes in legislation.

Registration and declarations of interests

The law at present requires, as a minimum, registration and declaration of 'Disclosable Pecuniary Interests' - that is matters which directly relate to the councillor and their partner if applicable.

The LGA is proposing that all councillors are required to declare interests where matters also relate to or affect other family members or associates. The LGA has broadened the requirement to declare interests beyond this current statutory minimum in line with a recommendation from the Committee on Standards in Public Life. These specific provisions are set out in **Appendix B** of the Code.
