- 4.2 At the start of each financial year an audit plan is agreed between SWAP and the Council which identifies the areas of highest potential organisational and operational risk within the Council.
- 4.3 When an audit takes place a report is provided to the service manager concerned which gives an audit conclusion and opinion.
- 4.4 Any control or procedural weaknesses are identified within an action plan appended to the audit report.
- 4.5 All findings will be allocated one of 3 priority ratings as follows:

Priority 1	Findings that are fundamental to the integrity of the service's business processes and require the immediate attention of management
Priority 2	Important findings that need to be resolved by management
Priority 3	Finding that requires attention

- 4.6 Each finding within the action plan contains a target implementation date which has been agreed between SWAP and the service manager concerned.
- 4.7 All outstanding priority 1 and 2 recommendations are captured in a register to ensure progress against the recommendations can be tracked and progress reported to the Audit, Governance and Standards Committee.
